

Dikshya Shree Rath: Reliance Jio Infocomm

Q: Are you satisfied with the company you are placed in or you expected a better company?

A: Expected a super dream job though, but reliance being a core company, I am happy and satisfied.

Q: Were there any challenges that you faced in the beginning of the placement season?

A: Being a student of Electronics department, had lost touch from coding languages, so all companies asked that and it was quite tough to cope up with the CS people to get through.

Q: Were you rejected by any other company? If yes, what could be the possible reasons?

A: Yes was rejected by 7 companies before this. Mostly due to lack of apt coding skills. Had qualified till the last round of Tata Motors and got through Reliance. Both are core companies.

Q: How many levels were there in the selections procedure of this company?

A: 1) Technical written test (offline)

2) Aptitude and logical reasoning test

3) Psychometric test

4) Personal Interviews

Q: What preparations did you make to get through the written rounds?

A: Practiced Aptitude questions rigorously for a week, Learnt the basics of communication technologies and the topics which were probable to come (had done a search regarding the previous recruitment procedures) and had gone through the technical questions from various placement preparation aiding sites like indiabix.com, placementexpress.com etc.

Q: What preparations did you make to get through the GD rounds?

A: There was no GD rounds here.

Q: What preparations did you make to get through the Interview rounds?

A: Done exhaustive study on Global System for Mobile communications, Code Division Multiple Access technologies along with Internet Protocol networking technologies ,3G and 4G evolution and latest trends in them. IMS, IP MPLS, OSS/BSS, Cloud Computing, Optical Networks.

Q: Any tips or suggestions for the juniors?

A: Be in touch with coding languages like C, C++. Practice Aptitude and Logical reasoning from starting of summer itself. Try to research on the previous papers of various companies, gives a lot of idea on how to prepare. There are a lot of internet sites which can help on this. (placementexpress.com, indiabix.com, GeeksforGeeks)

Q: Can you briefly explain your overall experience of the placement season?

A: It was exhausting, but worth the wait. A learning experience after getting rejected from various companies and improving at each step. The support of friends was a major factor in getting through the tough times.
